The official languages of the symposium will be English and Scandinavian

15th annual

# SCANDINAVIAN MEETING

on Parkinson's Disease and Related Disorders

HOTEL HILTON STOCKHOLM SLUSSEN, SWEDEN | APRIL 17-18, 2015

The 15th Scandinavian Parkinson meeting will take place at the Hilton Stockholm Slussen on April 17 -18 2015.

ScandMODIS organizes the meeting in collaboration with AbbVie, Medtronic and NordicInfu Care.

The format of the meeting is as before: we start at lunch on Friday and ends at lunch on Saturday.

### REGISTRATION BY FEBRUARY 1, 2015!

Sign up by February 1, 2015 by registering via [www.bookmymeeting.se/scandmeet](http://www.bookmymeeting.se/scandmeet).

Use the key: **2015** to access the form.

Please do submit your registration as soon as possible - space is limited. Once you are registered you will receive an e-mail confirmation.

Organization: The Meetingcompany Sweden.

Please contact Tiziana Saraceno if you have questions about the meeting, ph. +46 (0)8 684 00 690, email [info@themeetingcompany.se](mailto:info@themeetingcompany.se)

### EXPENSES

Participation in the scientific meeting is free of charge, including all meals as per program. Travel expenses and hotel accommodation are not included and at every participants own cost. Those who wish to stay at the Hilton can book rooms at the special rate SEK1.650 in single room incl. breakfast.

Please use the link provided on the registration page to reserve a hotel room. Limited number of rooms and subject to availability.

We encourage participants to take part of LIF's and LMI's regulations for scientific meetings.

Welcome!

Organized by:

Scandinavian Movement Disorder Society,  
ScandMODIS
