

Update on Movement Disorders with focus on Apomorphine treatment in Parkinson's Disease

7. and 8. of April 2016

Scientific committee: *Tove Henriksen, Copenhagen, Per Odin, Lund*

Sponsor: *NordicInfu Care*

Day 1, Lund, Sweden

- 10:00 **Welcome and introduction**
Per Odin, Lund
- 10:15 **Mechanisms behind motor fluctuations and dyskinesia's, evidence for the value of a continuous dopaminergic stimulation**
Angela Cenci Nilsson, Lund
- 11:00 *Break*
- 11:15 **Advanced Parkinson's disease: clinical definition and therapeutic strategies**
Håkan Widner, Lund
- 12:00 *Lunch*
- 13:00 **Apomorphine treatment: History**
Per Odin, Lund
- 13:30 **Apomorphine: Clinical Pharmacology**
Per Odin, Lund
- 14:00 **Diagnostic use of Apomorphine**
Per Odin, Lund
- 14:30 *Break*
- 15:00 **Intermittent subcutaneous Injection**
Klas Victorin, Lund
- 15:45 **Continuous Subcutaneous Infusion**
Tove Henriksen, Copenhagen
- 16:30 **Side effects of Apomorphine Therapy**
Tove Henriksen, Copenhagen
- 17:00 **Health Economy and Patient Reported Outcomes**
Peter Hagell, Kristianstad
- 17:30 **Parkinson's disease: Future therapies: Cell therapy, Stem cells, Gene therapy, Trophic factors?**
Anders Björklund, Lund
- 18:30 **Transfer** by private coach to Copenhagen for dinner and overnight at Gentofte Hotel.
www.gentoftehotel.dk

Day 2, Copenhagen, Denmark

- 08.15 **Transfer by private coach from hotel to Bispebjerg hospital.**
- 09.00 **Apomorphine: Pre-treatment Considerations**
Tove Henriksen, Copenhagen
- 09.45 **Apomorphine Injections: Starting-up and continuation including hands-on with pen**
Christine Nilsson, Lund
- 11.00 *Break*
- 11.30 **fMRI and dyskinesias in Parkinsons Disease**
AnneMette Løkkegaard, Copenhagen
- 12.00 **Apomorphine Infusion: Starting-up and maintaining including hands-on with pump**
Tove Henriksen, Skirmante Mardosiene, Narissah Bryndum, Copenhagen
- 13.15 *Lunch*
- 14.00 **Number of cells in MSA brains, do they count?**
Lisette Salvesen, Copenhagen.
- 14.30 **Apomorphine: Side effect management**
Tove Henriksen, Copenhagen
- 15.15 **How do we more effectively implement Apomorphine in the PD therapy?**
Discussion: all
- 16.00 **Concluding remarks**
Tove Henriksen
- 16.30 **Transfer from Bispebjerg Hospital to Copenhagen**
Central Station and Copenhagen airport.

Venues:

Lund: Skåne University Hospital, Getingevägen 4, Lund.
AE-building, level 4, lecture hall.
Copenhagen: University Hospital of Bispebjerg, Education Hall, Entrance 50, Bispebjerg
Bakke 23, 2400 Copenhagen NV

Registration:

please email to helena.dahlin@infucare.se

Expenses:

The scientific meeting is sponsored by NordicInfu Care. Travel expenses and hotel accommodation is not included and at every participants own cost.
