SCANDINAVIAN MEETING

on Parkinson's Disease and Related Disorders

PROGRAM

FRIDAY, MARCH 11

11.30–12.30 Lunch and registration

12.30–12.40 Opening of the meeting

12.40–13.40 Genetic aspects in Parkinson's disease

Chairs: Jan Aasly, Espen Dietrichs

- Genetics and Parkinson's disease: state of the art
Alexis Brice, Paris
- The prodromic phase of genetic Parkinsonism
Eduardo Tolosa, Barcelona

13.40–14.40 Biomarkers in PD

Chairs: Jan Aasly, Espen Dietrichs

- Wet biomarkers and Tau PET imaging for early detection and differential diagnosis of PD-related disorders
Oskar Hansson, Lund
- Imaging for diagnosis and differential diagnosis
Nico Leenders, Groningen

14.40–15.00 The Swedish Parkinson Foundation Awards 2016

- Presentation of the awarded.
Lennart Pettersson

15.00–15.30 Coffee

15.30–17.00 Gastrointestinal aspects in PD

Chairs: Kristian Winge, Erik Hvid Danielsen

- Food for thought: Weight loss, gastric emptying and cognitive impairment in PD
David Burn, Newcastle
- Imaging studies related to gastrointestinal aspects of PD
Per Borghammer, Aarhus
- Future New L-dopa formulations
Dag Nyholm, Uppsala

17.00–18.00 Cognitive decline and dementia

Chairs: Gudrun Sigurdardottir, Per Odin

- Minimal Cognitive Impairment and Parkinson's disease with dementia
Dag Aarsland, Stockholm
- Lewy body dementia
Elisabeth Londos, Malmö

18.00–19.00 Management of bladder and sexual dysfunction in Parkinson's disease

Chairs: Gudrun Sigurdardottir, Per Odin

- Bladder dysfunction in PD
Jalesh Panicker, London
- Sexual dysfunction in Parkinson's disease
Gila Bronner, Ranat-Gan, Israel

19.00–19.30 Recent advances in Parkinson's disease

Chairs: Karen Østergaard, Håkan Widner

- The 3 most important clinical publications during the last 12 months
Andrew Lees, London

20.00 Dinner

SATURDAY, MARCH 12

08.00–09.30 Correct treatment during the Parkinson journey: A review based on Evidence-Based Guidelines, part 1

Chairs: Tove Henriksen, Håkan Widner

- Non-invasive pharmacological treatment of PD: new options
Lars Timmermann, Köln
- Apomorphine: State of the art
Teus van Laar, Groningen
- Duodopa: State of the art
Per Odin, Lund

09.30–09.45 Coffee

09.45–11.15 Correct treatment during the Parkinson journey: A review based on Evidence-Based Guidelines, part 2

Chairs: Sven Pålhagen, Espen Dietrichs

- Deep Brain Stimulation: State of the art
Paul Krack, Grenoble
- Rehabilitation therapies for Parkinson's disease
Lynn Rochester, Newcastle
- Discussion: Evidence-based design of therapy; Case-based discussion
All above lecturers present cases and discuss

11.15–11.30 Coffee

11.30–13.00 Recent advances in Parkinson's disease

Chairs: Karen Østergaard, Håkan Widner

- Pre-motor symptoms
Wolfgang Oertel, Marburg
- Stem cell based therapies: Is there hope?
Alexander Storch, Rostock
- The 3 most important basic science publications during the last 12 months
Anders Björklund, Lund

13.00 Closing remarks

13.05–14:00 Lunch and departure

PROGRAM COMMITTEE

Aasly, Jan, Norway
Dietrichs, Espen, Norway
Hvid-Danielsen, Erik, Denmark
Odin, Per, Germany
Sigurdardottir, Gudrun, Iceland
Widner, Håkan, Sweden
Winge Kristian, Denmark

LANGUAGE

The official language of the symposium will be English and Scandinavian.

16th annual

SCANDINAVIAN MEETING

on Parkinson's Disease and Related Disorders

HOTEL HILTON STOCKHOLM SLUSSEN, SWEDEN | MARCH 11–12, 2016

The 16th Scandinavian Parkinson meeting will take place at the Hilton Stockholm Slussen on March 11-12, 2016.

ScandMODIS organizes the meeting in collaboration with AbbVie, NordicInfu Care, Zambon, Parkinsonfonden and St. Jude Medical

The format of the meeting is as before: we start at lunch on Friday and ends at lunch on Saturday.

REGISTRATION BY FEBRUARY 10, 2016

To receive a registration form please email to info@themeetingcompany.se

Organisation: The Meetingcompany Sweden.

Please contact Tiziana Saraceno if you have questions about the meeting, ph. +46 (0)8 684 00 690, email info@themeetingcompany.se

EXPENSES

Participation in the scientific meeting is free of charge, including all meals as per program.

Travel expenses and hotel accommodation are not included and are at every participants own cost. Those who wish to stay at the Hilton can book rooms at the special rate SEK1.650 in single room incl. breakfast.

Please use the link provided on the registration form to reserve a hotel room. Limited number of rooms and subject to availability.

We encourage participants to take part of LIF's and LMI's regulations for scientific meetings.

Welcome!
